BADEN-WÜRTTEMBERG - Academic Landscape

- most diverse academic landscape in Europe → different types of scientific universities, plus many types of non-university research institutions
- 15 Research Universities (including the 6 Universities of Education)
- 22 Universities of Applied Sciences and Universities of Fine Arts and Music.
- 360.000 students (2021/22)

UNIVERSITY OF EDUCATION SCHWÄBISCH GMÜND

- The „PH“ is a University with a special focus on Education.
- About 3.000 students are enrolled in 20 study programmes.
- Thanks to our small size we offer very good conditions for students and staff alike.
- From the very start of our study programmes, coursework is closely linked to the practical side of teaching AND to research activities.
- 50 full professors, 100 academic staff and currently about 60 PhD students.
- We offer PhD programmes as well as the possibility to acquire an additional postdoctoral degree, the „Habilitation“.

INTERNATIONAL EXCHANGE STUDENTS

We offer...

...**school placements** in German and English within your studies (during the term); Kindergarten and Primary School placements in English only on demand.

...a **Buddy programme** for international students.

...**free** excursions, cultural and social **activities** with German students organized by the International Office.

STUTTGART

The urban life of Stuttgart is only 50 km / 40 min by train away.

The capital of South-Western Germany with its 600.000 inhabitants is home of many museums, theatres, shopping facilities - and world famous companies such as Daimler or Porsche.
